

Project Information Form

If you have a project which you think we might be able to work together on, please fill out the details below and return it to us at jpmcc.projects@jpmorganclimatecare.com. We'll then have a look through the details and get back in touch with you to discuss a way forward.

Please note that we are NOT looking to fund:

- projects in the UK
- afforestation, reforestation or REDD projects
- projects that reduce emissions by less than 10,000 tonnes / year
- projects in Europe
